### Nonprofit, Education and Economic Development

While many organizations directly improve the lives of individuals, their positive contributions to the U.S. economy are often overlooked. Help us shine a spotlight on the nonprofits, educational institutions, and economic development programs available in our region that are positively impacting the communities where we live and work – and show your support! Advertise in July’s Nonprofit, Education and Economic Development issue of the *MBA Business Magazine* and be seen by more than 15,000 readers online and in print, and at our fourth annual Nonprofit, Education and Economic Development **IMPACT Luncheon & Fair** on July 31 at the MBA Conference Center in Erie. It’s an opportunity you won’t want to miss!
