IMPACT 2025

ECONOMIC OUTLOOK LUNCHEON

As we head into 2026, the economic landscape is shifting — again. Join us for The MBA's annual **Economic Outlook IMPACT Luncheon**, where business leaders and economists come together to cut through the noise and discuss the indicators for our local, regional, national and global economies — and the potential impact on businesses and the bottom line.

JOIN US FOR OUR ANNUAL ECONOMIC OUTLOOK IMPACT LUNCHEON ON DECEMBER 4

The MBA will welcome two of the region's top professionals for a discussion on leading economic indicators for the local, regional, national and global economies — and how your business could be affected in the year ahead.

Ken Louie, Ph.D. is the director of the Economic Research Institute of Erie (ERIE) and an associate professor of Economics at Penn State Behrend. He is regularly sought out by the news media for his commentary on the regional economy, as well as international trade and finance, labor economics and economic development. He received the Penn State Behrend Council of Fellows Award for Excellence in Teaching and was a Fulbright Lecturer in the People's Republic of China in 1998.

Brian Pietrangelo, MBA, CIMA®, AIF® is senior vice president and managing director of Investment Strategy at Key Private Bank. He works to support sound investment strategies for private and institutional clients and is a member of Key Private Bank's Investment Strategy and Oversight Committee, Asset Allocation Committee and Portfolio Strategy Committee. He has more than 30 years of experience in many areas of the investment business and has been quoted in Barron's, CBS MarketWatch, cnbc.com and other local publications. He is also the host of the Key Wealth Matters podcast.
